AAU ranked 2nd in UAE based on “THE IMPACT Rankings 2021”

Al Ain University (AAU) has been topped 2nd in UAE, and 401600-worldwide based on The Impact Rankings 2021. The Impact Ranking is the biggest yet, including 1,240 universities from 98 countries and regions across 18 tables.

The results, published during “The Innovation and Impact Summit 2021”, is revealing how the universities are tackling some of humanity’s most pressing problems through their research, stewardship, outreach, and teaching.

Based on very calibrated indicators, “THE Impact Rankings” are the only global performance tables that evaluate universities against the United Nations’ Sustainable Development Goals (SDGs) (no poverty, zero hunger, good health & well-being, quality education, gender equality, clean water & sanitation, affordable & clean energy, decent work & economic growth, industry, innovation & infrastructure, reduced inequalities, sustainable cities & communities, responsible consumption & production, climate action, life below water, life on land, peace & justice & strong institutions, and partnerships for the goals).

An introductory lecture on the development vision for the Year of 50th

The Deanship of Student Affairs, in collaboration with the National Archive, organized a virtual lecture entitled; "Year of the 50th", presented by Mr. Mohammad Ismail, Educational programs specialist.

The lecturer talked about the UAE founder's efforts through the past 50 years and towards the next 50, the hard work and ambitions of the leaders for the UAE Centennial 2071. The lecturer also covered topics such as; government programs and strategies to enhance the UAE economic and scientific reputation, learn about the factors of success and sustainability of the UAE government, and define the role and responsibility of individuals, role of institutions and society towards achieving the vision and centenary goals to make the UAE the first country in the world at all levels and in all fields.

It's worth to mention, that H. H. Sheikh Mohammed bin Rashid Al Maktoum, Vice-President and Prime Minister of the UAE and Ruler of Dubai launched the UAE Centennial 2071. It is a long-term, full-vision plan that extends for 5 decades after 2021. It forms a clear map for the long-term government work, to fortify the country's reputation and its soft power.
