A delegation from the Embassy of Uzbekistan visits Al Ain University.

A delegation from the Embassy of the Republic of Uzbekistan, including His Excellency Mr. Jakhongir Xaitov, Deputy Head of Mission (Charge Affaires) and Mr. Sardor Karimjanov, First Secretary at the Embassy to the United Arab Emirates, visited Al Ain University (Abu Dhabi Campus). The delegation was received by Dr. Noor Atatreh, Vice Chairman of the Board of Trustees of Al Ain University and other university officials.

The visit aimed to explore avenues for academic cooperation between Al Ain University and educational institutions in Uzbekistan, and to open channels of communication and exchange of expertise in the field of higher education.

During the meeting, Dr. Atatreh provided an overview of the university, discussing its development over the past years, reviewing the colleges and specializations it offers, and the growth of its infrastructure and academic programs in line with modern educational standards.

Al Ain University Launches the College of Nursing as Part of Its Expansion in Health Programs

Al Ain University has announced the establishment of the College of Nursing at its Abu Dhabi campus, as part of a strategic step reflecting the University's commitment to expanding health education and supporting national efforts to develop qualified medical professionals capable of meeting the needs of the healthcare sector.

The College offers a Bachelor of Science in Nursing program, designed in accordance with the latest international academic standards and best practices. The program integrates theoretical instruction with clinical practical training, aiming to prepare highly qualified nurses equipped with the scientific and professional skills required to deliver high-quality healthcare services.

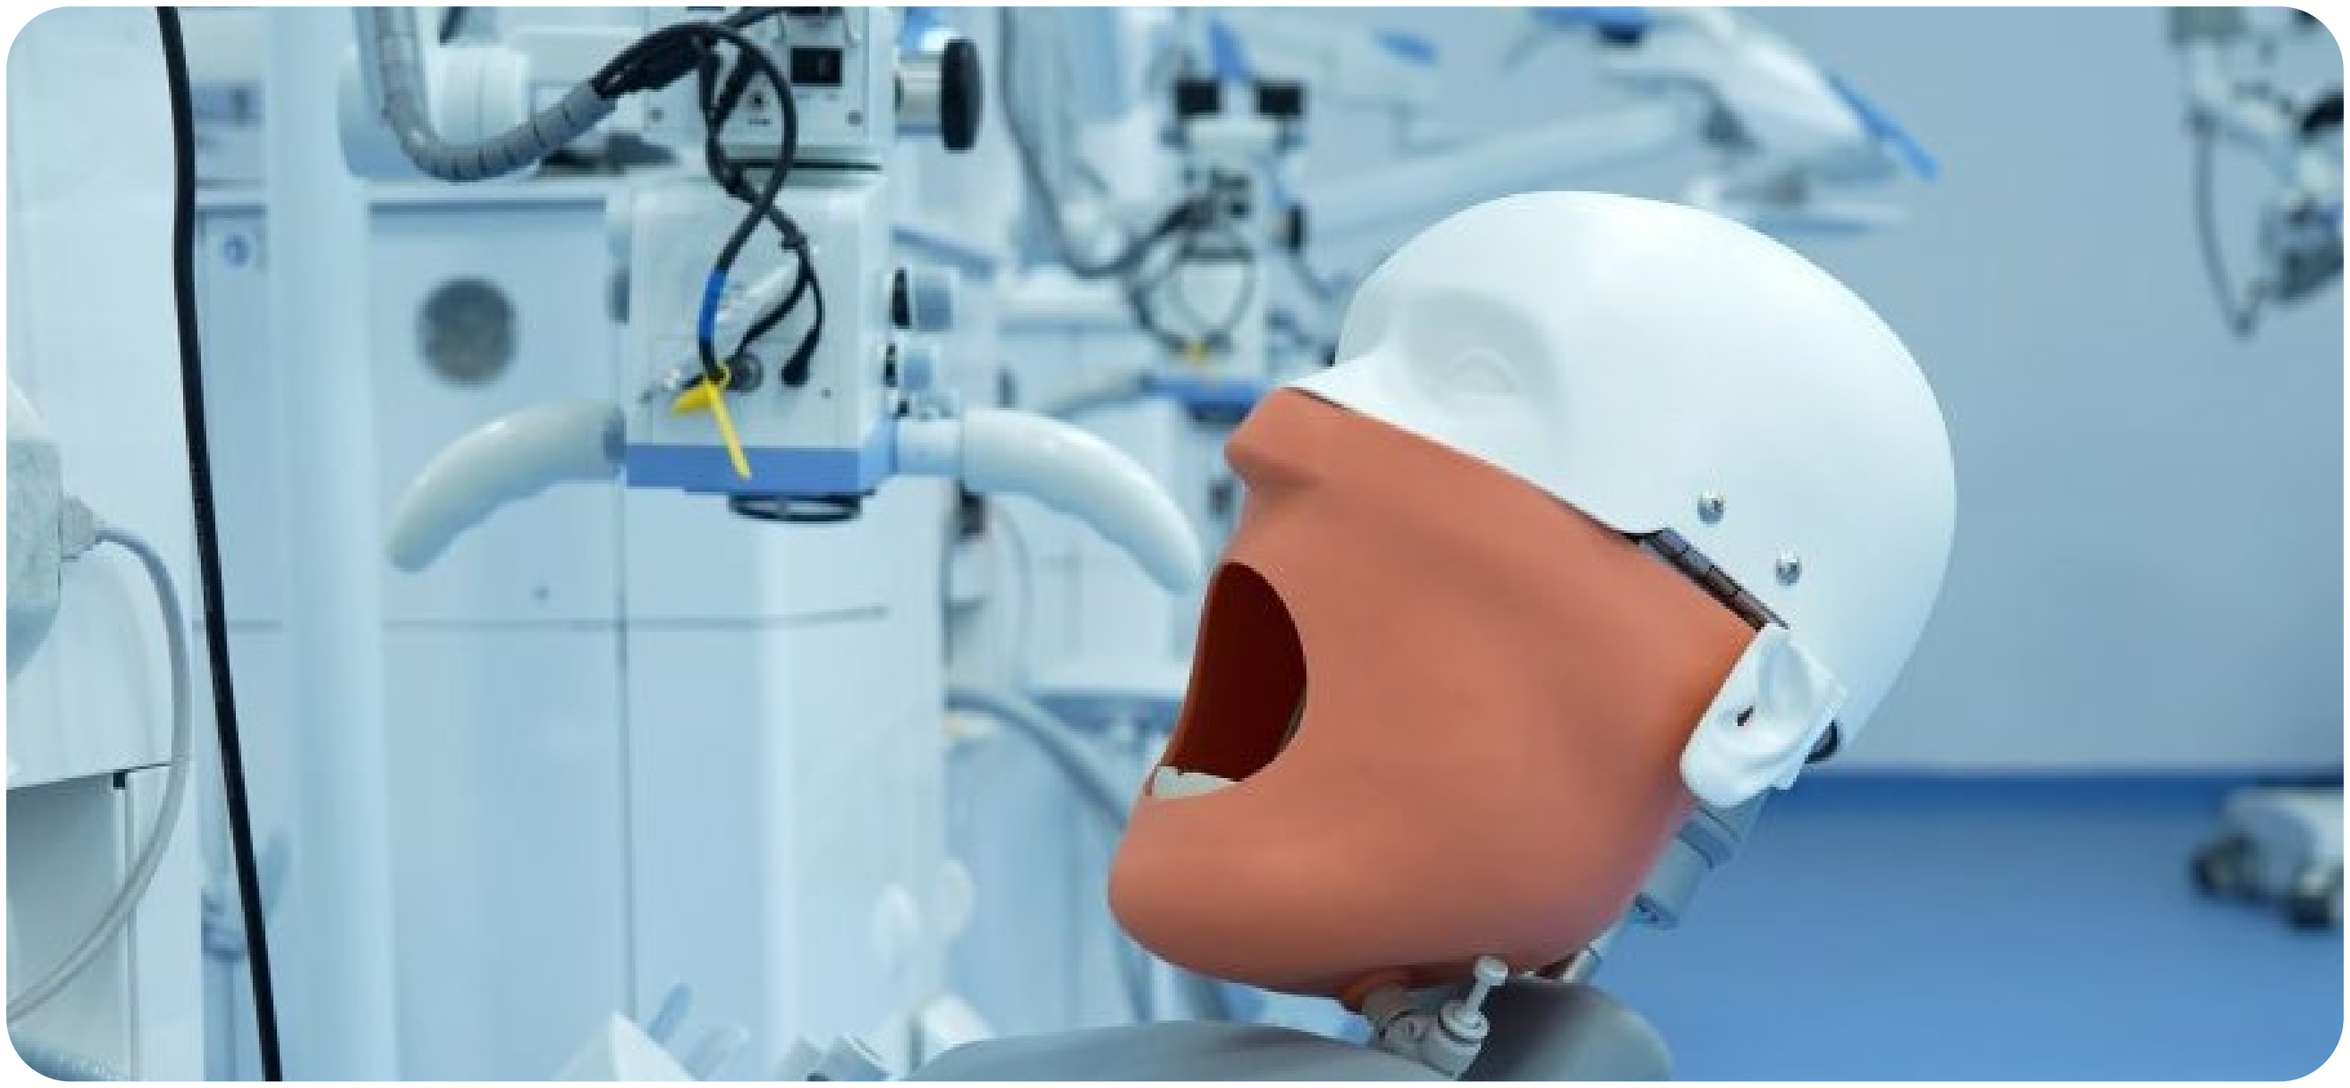
The College of Nursing features advanced training laboratories and modern educational facilities that simulate real healthcare environments, enabling students to apply theoretical knowledge within an interactive learning setting that emphasizes professional safety, precision, and ethical practice.

The program is delivered by a distinguished group of academics and healthcare specialists in nursing and health sciences, who focus on developing students' clinical competencies through continuous academic supervision, hands-on training, and professional guidance.

In addition, the College provides opportunities for students to engage in research and community-based activities, enhancing their communication, teamwork, and decision-making skills, in line with the University's vision of delivering comprehensive health education that keeps pace with developments in the healthcare sector and societal needs.

The establishment of the College of Nursing aligns with the UAE's vision to enhance the quality of healthcare services.

Al Ain University Establishes the First and Only College of Dentistry in Abu Dhabi



Al Ain University has announced the launch of the College of Dentistry at its Abu Dhabi campus, becoming the first and only college of dentistry in the Emirate. This milestone reflects the University's commitment to expanding medical education and addressing labor market needs within the healthcare sector.

The College offers a Bachelor of Dental Surgery (BDS) program, designed in accordance with the latest international academic standards. The program integrates theoretical study with hands-on practical training to prepare qualified dentists equipped with the knowledge and skills required to deliver high-quality oral healthcare.

The College features advanced laboratories outfitted with state-of-the-art equipment and technologies that simulate real clinical environments, providing students with a unique opportunity to apply theoretical concepts in an interactive learning setting that emphasizes safety, precision, and professionalism.

The program is delivered by a distinguished faculty of experienced professors and dental specialists across various disciplines, who focus on developing students' professional competencies through continuous practical training and academic mentorship.

In addition, the College offers opportunities for students to engage in research and community-based activities, while strengthening their communication, teamwork, and professional decision-making skills—aligned with the University's vision of delivering comprehensive and leading medical education.

The launch of the College aligns with the UAE's national vision to enhance the quality of healthcare services and develop national medical talent. As healthcare remains a strategic priority within national development plans, the College contributes to supplying the local market with highly qualified dental professionals capable of meeting community needs and supporting a sustainable healthcare system.

Al Ain University Participates in Emirati Women's Day Celebrations

Al Ain University celebrated Emirati Women's Day under the theme "Partner in Leadership and Achievement" through a series of remarkable activities held at its Abu Dhabi and Al Ain campuses, in recognition of the pioneering role of Emirati women across various fields and their status as key partners in nation-building and shaping the country's future. Abu Dhabi Campus Activities

At the Abu Dhabi campus, the Deanship of Student Affairs organized a special event featuring informative booths prepared by female students.

In Celebration of the Year of Community, "HR" Unit Gives Back

As part of the "Year of the Community" initiative launched by the United Arab Emirates, the Human Resources Unit at Al Ain University, in collaboration with the "Awnak Ya Watan" team, organized a special event to honor the university's support staff in appreciation of their sincere efforts and valuable contributions. During the event, appreciation gift bags were distributed to team members as a token of gratitude for their ongoing dedication and hard work behind the scenes.

This initiative reflects Al Ain University's steadfast commitment to fostering a culture of appreciation, respect, and community spirit within its institutional environment, based on the belief that true recognition begins from within.

The Creative Media Authority and Al Ain University Collaborate to Enhance the Empowerment of Young Media Talents in Abu Dhabi

As part of its ongoing efforts to empower the next generation of talented and creative individuals, the Creative Media Authority has signed Memorandums of Understanding with three leading universities in the UAE — Al Ain University, Abu Dhabi University, and Zayed University. The Authority has also extended its existing partnership with the Higher Colleges of Technology. This step represents an important milestone in accelerating efforts to bridge the gap between academic outputs and labor market needs. Under the cooperation agreements.

Al Ain University Signs MoU with HOCK International to Offer Accredited Professional Training Programs

The Continuing Education Center at Al Ain University has signed a Memorandum of Understanding (MoU) with HOCK International, a globally recognized provider of professional certification training, as part of the university's ongoing efforts to enhance professional education and develop competencies in accounting and finance. The agreement aims to deliver internationally accredited training programs, including CMA, FMAA, and CSCA, which will help participants acquire globally recognized qualifications and strengthen their professional skills.
