Al Ain University Reinforces Values of Loyalty and National Belonging

Al Ain University participated in the “Ahd & Waad” initiative, held under the patronage and in the presence of H.E. Sheikh Nahyan bin Mubarak Al Nahyan, Minister of Tolerance and Coexistence. The initiative represents a sincere national expression of loyalty and allegiance to His Highness Sheikh Mohamed bin Zayed Al Nahyan, President of the UAE, and embodies the values of belonging and dedication toward the nation’s continued progress and achievements. The university delegation included Dr. Noor Al Deen Atatreh, Vice Chairman of the Board of Trustees.

Al Ain University Signs MoU with Cortelion to Enhance Cybersecurity Education

Al Ain University, represented by the Cybersecurity Program at the College of Engineering at the Abu Dhabi Campus, signed a Memorandum of Understanding with Cortelion, a leading provider of cybersecurity solutions. The agreement aims to strengthen cooperation between academia and industry and support the development of students' skills in the rapidly growing field of cybersecurity.

Through this partnership, students will benefit from practical training opportunities, specialized workshops, seminars, and industry-based projects designed to connect theoretical knowledge with real-world applications. The collaboration will also provide students with direct exposure to current cybersecurity challenges, helping them develop the technical, analytical, and professional skills needed to succeed in the field. The MoU further supports innovation, applied research, and knowledge exchange.

AAU Honors Faculty Member and Student Recognized by UAE President

Prof. Ghaleb El Refae, President of Al Ain University, honored Dr. Enas Abu Labda, Associate Professor at the College of Education, Humanities and Social Sciences, along with student Laila Al Kaabi from the Master of Arts in Applied Sociology program, in recognition of their special honor within the Frontline Heroes initiative, held under the support of the UAE's wise leadership and on behalf of the Frontline Heroes Office.

Dr. Abu Labda and student Laila were awarded a gold medal and received a special message from His Highness Sheikh Mohammed bin Zayed Al Nahyan, President of the UAE, in appreciation of their national contributions and sincere humanitarian efforts, in a gesture reflecting the UAE's recognition of distinguished individuals and their impactful community and humanitarian contributions.

“Solar BriX” from Al Ain University to “Make it in the Emirates”

In a new milestone reflecting excellence in industrial innovation, Al Ain University’s Solar BriX project has been selected among the final cohort of the Khalifa Fund’s Light Manufacturing Accelerator (LMA), one of the UAE’s leading national programs supporting industrial innovation, entrepreneurship, and sustainable manufacturing.

This achievement follows a highly competitive national selection process that evaluated more than 250 ideas and projects, with Solar BriX advancing as one of only 23 selected to enter the Industrial Entrepreneurs Accelerator phase—highlighting the project’s strong potential and its role in shaping the future of sustainable industry.

The project is led by Dr. Nuha Hamadah (Team Leader – Al Ain University), Mr. Mohsen Ibrahim (Inventor and External Partner), and student Ahmed Al Khader from the College of Business.

Al Ain University Honored in the “Numu Al Ghurair” Program

Al Ain University was honored by eYouth, in collaboration with the Abdulla Al Ghurair Foundation, during the graduation ceremony of the “Numu Al Ghurair Career Development Program,” in recognition of the university’s role as a supporting partner in raising awareness about the program and encouraging students to enroll in it, contributing to enhancing their career readiness and professional empowerment.

Advisory Council Discusses Community Partnerships and Student Support

The Dean of Student Affairs held the second meeting of the Advisory Council at the Abu Dhabi campus, as part of efforts to enhance partnerships with various community institutions, activate the supportive role for students academically and professionally, and instill values of national responsibility and community participation among them. The meeting was opened by prof. Amer Qasem, Vice President of the University, who welcomed the council members and emphasized the important role that academic institutions play in preparing students to become leaders of the future.

College of Engineering strengthens its presence in ISNR 2026

The College of Engineering at Al Ain University – Abu Dhabi Campus participated in the International Exhibition for National Security and Resilience (ISNR 2026), held in Abu Dhabi, reaffirming its commitment to advanced research and the development of future-ready talent in cybersecurity and smart technologies. Representing the university were Dr. Muath Al Shaikh, Program Director of Cybersecurity, alongside Dr. Suhaib Melhem, Eng. Kenan Hassan.

Al Ain University Hosts First Erasmus+ International Credit Mobility Visit from Linnaeus University, Sweden

Al Ain University continued to strengthen its international academic partnerships by hosting the first official visit within the Erasmus+ International Mobility Program (ICM) from Linnaeus University of Sweden, in a step that reflects the university’s commitment to developing international academic cooperation, enhancing academic excellence, exchanging knowledge, and supporting joint scientific research initiatives between the two institutions. Linnaeus University of Sweden was represented by Dr. Nadeem Abbas, who visited the Al Ain University campuses.

Student Affairs Strengthens Family Spirit at a National Forum

Within the framework of Al Ain University’s commitment to its community role, and its keenness to support national initiatives aimed at strengthening family cohesion and promoting authentic Emirati values, the Deanship of Student Affairs at Al Ain Campus participated in the activities of the “National Family Forum” organized by the Mohammed Bin Khalid Al Nahyan Association for Future Generations at the association’s headquarters.

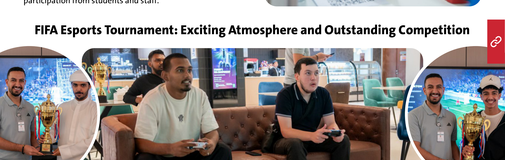
“Support and Wisdom” An Awareness Initiative to Strengthen the Concept of Family

Al Ain University, represented by the Deanship of Student Affairs at its Abu Dhabi campus, in cooperation with the Family Development Foundation, organized an awareness initiative entitled “Support and Wisdom.” The initiative aimed to enhance students’ understanding of the importance of the family and its pivotal role in building a cohesive and stable society, as well as to instill the principles of a successful married life based on responsibility and understanding. The lecture was presented by Dr. Hayat Al Hosani, with the participation of several senior citizens.

Blood Donation Campaign Under the Slogan “Your Donation Saves Lives”

The Deanship of Student Affairs at Al Ain University – Abu Dhabi Campus, in cooperation with the Blood Bank Services – SEHA, organized a blood donation campaign under the slogan “Your Donation Saves Lives,” coinciding with the Year of the Family. This initiative reflects the university’s commitment to promoting the values of human solidarity and social responsibility, and to raise awareness about the importance of blood donation in supporting patients and saving lives. The campaign witnessed a large turnout and remarkable participation from students and staff.

FIFA Esports Tournament: Exciting Atmosphere and Outstanding Competition



Al Ain University, represented by the Deanship of Student Affairs at its Abu Dhabi campus, organized a FIFA esports tournament for university students. The event, held amidst an enthusiastic and competitive atmosphere, witnessed wide participation and significant engagement from students across various academic disciplines. This youth-oriented activity combined entertainment with a spirit of positive competition on campus. The tournament featured intense and enjoyable matches, showcasing students’ high level of skill in esports and their remarkable sportsmanship in an atmosphere brimming with excitement, suspense, and interaction.
