AAU organize a ceremony to honor the outstanding students at the university

The Deanship of Student Affairs -Abu Dhabi Campus- organized a ceremony to honor the outstanding students at the university for the second semester 2015/2016 at the university's theater.

The ceremony was attended by Prof. Abdul Hafeez Belarbi, AAU Vice President, Vice Deans, and the honored students.

They also honored the students who participated in the Science Festival 2015 and the tour guides at the university who participated in the cinematography.

Initially Dr.Iyad Abdel-Mageed, Deputy Dean of Student Affairs, thanked the students for their efforts and participation in the activities of the deanship during the scholastic year, and then Prof. Abdul Hafeez Belarbi spoke in his speech about the need for the students' participation in such extracurricular activities that will refine the student's personalities and strengthen the spirit of leadership. Finally, he also commended their efforts.

At the end of the ceremony, the Vice President honored the students by granting them certificates and gifts, and he also took a souvenir photo with them.
