Students of College of Communication in AAU visits International Government Communication Forum

In the framework of instilling the culture and look at what's new in the world of media, the College of Mass Communication and Media at Al Ain University of Science and Technology –Al Ain University- organized a scientific visit to the International Government Communication Forum at Expo / Sharjah, under the supervision of Dr. Khzeim Al Khuzam Dean of the Faculty of Mass communication and media, and Dr. Reyad Jaljali faculty member at the college.

The student delegation participated in the Forum, where they attended the first session of the Forum, which was entitled Government Communication in Building Knowledge Societies, and the second session was entitled Confronting Extremism (Government Communication and the Creation of a Humanist Culture).

The students also participated in two workshops specialized in communication and media, and namely: The Social Media Strategy, and Government Communication and Social Media

Platforms.

Students in the Faculty of Mass Communication and Media at Al Ain University of Science and Technology met with HH Sheikha Jawaher Al Qasimi, Chairperson of the Supreme Council for Family Affairs in Sharjah in the United Arab Emirates, where she met the students of communication and media colleges from all GCC countries.

It is noteworthy that the Government Communication Forum held annually and attended by a group of Emirati, Arab and international journalists, and pioneers of thought in the emirate of Sharjah, in addition to organizing a series of discussion sessions and workshops with thought leaders in the communication industry.
