Al Ain University organizes a visit for its employees to explore Expo Dubai 2020

The Human Resources Unit, in cooperation with the Public Relations Office, organized a visit to "Expo Dubai 2020" for the administrative staff and workers at the university in both campuses (Al Ain and Abu Dhabi), with the aim of learning about the countries traditions, exploring their cultures and breaking the work routine.

The tour included a visit to the Sustainability Zone, as well as a visit to the pavilions of the United Arab Emirates, the Kingdom of Saudi Arabia and a number of other pavilions.

Mrs. Sidra Shaheen, Manager of the Human Resources Unit, pointed out that "Expo Dubai 2020" is a unique event in the region and the world, which makes the visit a unique experience that may not be repeated.

In turn, the administrative members expressed their happiness that Al Ain University provided

them with the opportunity to visit “Expo Dubai 2020” to discover the unique architectural design of the buildings, and learn about different cultures, innovations and future projects.

It is worth noting that Al Ain University organized a series of student’s visits to Expo 2020 during the last period.
