The College of Law Organizes the First Annual Exhibition on Law and the Environment

The College of Law at Al Ain University (Al Ain Campus), in collaboration with the Administrative Unit, organized the first annual exhibition under the theme 'Law and the Environment,' in conjunction with (COP 28). The exhibition was inaugurated by Prof. Ghaleb Al Refae- the AAU President, in the presence of Prof. Ibtehal Abu Rezq, the Vice President for Development and follow-up, and Prof. Mustafa Qandeel, the Dean of the College of Law, along with deans of other colleges and faculty members from the College of Law and other faculties.

The exhibition featured various models and student works that illustrate the role of law in environmental protection. Additionally, it included scientific posters highlighting the wise leadership's concern in the country for climate issues and environmental protection. The exhibition provided information about the UAE's efforts in combating climate change and the

UAE legislator's focus on environmental protection."
